### ITC HELP WANTED!

**Help Wanted: Intro to Curl Coordinator** - this position entails recruiting, training and scheduling instructors for intro to curl. It also includes marketing and promoting ITCs online and through other media. This position can be split between two people willing to work as a team. Please respond to [president@jerseycurling.org](mailto:president@jerseycurling.org)

Additionally, **we are in constant need for new Intro to Curl instructors**. Having a broad pool of instructors allows us to offer many Intro to Curl opportunities to the public. Which in turn builds our membership for the future. None of you would be curling today without the knowledge and enthusiasm of someone teaching you the basics at your first Intro session. Please send an email to [president@jerseycurling.org](mailto:president@jerseycurling.org) if you would like to be added to our list of ITC instructors. Being an ITC instructor does not require years of experience curling. It only requires an enthusiasm for our game and our club, and a willingness to share it.

## **PLAIN JANE CURLING VIDEO**

Well, I did a thing and created video on delivery, especially for people like me with knee issues. I had a lot of help from people at Plainfield, but if you look closely, you'll see a JPCC pin on my jacket.

If I do another one, I'll definitely smile more.
